# Inn-Room Welcome Map

Since 1986

## Advertise to the Tourist in their Hotel

We design 29 Individual Hotel covers. Each cover is personalized with the Hotel's own logo. This insures that your Ad has access to over 897 hotel rooms. It is also proudly displayed in most lobbies.

## Advertise to the Day Tourist

Our **Welcome Map** cover is also distributed to our advertisers and the Chamber of Commerce thereby increasing the exposure of your message to the daytime visitor.

## Advertise to the Out of Towner

The **Welcome Map** reaches the traveler before they arrive because many of the Chambers of Commerce and Hotels send it to visitors requesting information about our area. Also upon returning home the visitor has a handy memento for a future visit or to give to a friend.

## Advertise on the Internet

Your Ad online can be viewed by thousands of visitors before they travel at [www.WelcomeMap.biz](http://www.WelcomeMap.biz). Visitors can also see your business's location on the map as well as a link to your website.
