2277 Main St. • Cambria • 927-0371

San Simeon is the home of Hearst Castle.® Tours start at 8:20am. Call: (800) 444-4445. Ragged Point, north on Hwy 1, is also worth the drive — be sure to watch for the Elephant Seals along the way! **Cambria** is just south of San Simeon and is known for its excellent restaurants and one-of-a-kind shops and galleries. The countryside east along Santa Rosa Creek Rd. is as pretty as a postcard. Bring your camera and bicycle! **Harmony** (Pop. 18) is a wonderful way to experience award-winning wine and rural small town shops. Wine tasting along beautiful Hwy 46 East toward **Paso Robles** is a pleasure. More often than not, the person pouring the wine is the actual winemaker!

MARINA SQUARE, 601 EMBARCADERO, SUITE 8 • MORRO BAY

MORRO BAY

Morro Bay Harbor

Morro Bay is home to one of California's few remaining fishing fleets. This resort town is dominated by Morro Rock, the seventh in a chain of volcanic peaks called the "Seven Sisters" that follows alongside Highway 1 for twelve miles north of San Luis Obispo. The Rock itself is home to over 250 species of birds. South toward Morro Bay State Park, near the cliff side Museum of Natural History, great blue herons swoop and roost in the eucalyptus groves. Another must for nature lovers is the Morro Bay Estuary Program, located on the Embarcadero. Try enjoying the bay and its abundant wildlife by kayaking, stand-up paddling or taking a boat tour. Morro Bay's bustling wharf is great for a stroll while enjoying the many colorful shops, restaurants and ocean-loving activities. Olde Towne Morro Bay is a destination in itself, where you can visit quaint shops and dine on the freshest seafood on the coast. Golfers will love the many breathtaking courses available to the public. Have fun and hurry back! For more Information call the Morro Bay Chamber of Commerce: (805) 772-4467, 845 Embarcadero #D.

Kayak to the Rock

CAYUCOS

Cayucos is the first village north of Morro Bay. This picturesque small town features a thriving Main street with abundant dining and shopping for the whole family. Cayucos' waves are a favorite of local surfers, and the beach is perfect for a long, leisurely sunset stroll. Wine tasting in Cayucos is a lovely way to spend the day and sample local award-winning wines. After enjoying the wine, everything is within walking distance in the town of Cayucos and can be enjoyed in one day. For more info. call the Cayucos Chamber of Commerce: (805) 995-1200.

Welcome to Cayucos

LOS OSOS AND BAYWOOD: ON THE WAY TO MONTANA DE ORO

Montaña de Oro State Park

The community of **Los Osos & Baywood Park** (Valley of the Bears) is located on the Southern tidal estuary and four-mile sand strand, just south of Morro Bay. This hidden gem of the Central Coast is just a 20-minute drive from San Luis Obispo along cattle grazing and lush agricultural countryside, and a short three-mile scenic drive from Morro Bay. With a population of approximately 20,000, Los Osos is situated 148 feet above sea level and enjoys a temperate year-round climate.

Los Osos, just south of Morro Bay, is also the gateway to the magnificent Montaña de Oro State Park, a place of secluded coves, rock-collecting beaches and windswept vistas. For more information, please call the Los Osos Chamber of Commerce at (805) 528-4884.

Baywood Park has a quaint village atmosphere. View the tranquil lagoon at the end of Second Street and watch local bird life and kayakers. We invite you to take time to discover our charming community which boasts clean air, friendly neighbors and community pride.

DAY TRIPS NORTH!

Hearst Castle® is open for tours daily, except on Thanksgiving, Christmas and New Year's Day. Day tours start around 8:00 a.m. Daytime tours take about 1 hour and 45 minutes, which include the round trip from the visitor center. Tours depart the Visitor Center by bus at the time printed on the ticket. An audio tape program provides background information during the 15 minute, five mile trip to the Castle. All tours are unique and exciting and will include a half mile walk with stairs, so wear comfortable shoes. Physically challenged tours are available-for more information call (800) 444-4445 www.hearstcastle.org
