Advertise to the Tourist in their Hotel

We design Individual Hotel covers. Each cover is personalized with the Hotel's own logo. This insures that your Ad has access to over 900 hotel rooms. It is also proudly displayed in most lobbies.

Advertise to the Day Tourist

Our **Welcome Map** cover is also distributed to our Advertisers, Chamber of Commerce & the Downtown Association thereby increasing the exposure of your message to the daytime visitor.

Advertise to the Out of Towner

The **Welcome Map** reaches the traveler before they arrive because many of the Hotels send it to visitors requesting information about our area. Also upon returning home the visitor has a handy memento for a future visit or to give to a friend.

Advertise on the Internet

Coming this spring, the **Welcome Map** will be Online. Your business can be viewed by thousands of visitors before they travel. Visitors will be able see your business's location on the map as well as a link to your website.

Motel staff directs a guest to our local businesses.
